Notice of Violation:

- Penalties will start after the time frame given to bring the property into compliance. \$10 per day until an inspection is requested or the property is brought into compliance by the County.
- If the violations appear on the property within the next 12 months, a second notice will be issued.
- It is the responsibility of the owner to call and request an inspection to receive a notice of compliance.

Administrative Citation:

- An Administrative Citation can be issued for any County code violation.
- A citation penalty does not accrue daily. It is a one-time fee with a compliance date. Failure to comply by the appointed date will result in a second offense.
- If the violation is resolved and the penalty is paid, the case is closed. If the violation occurs again within 12 months, a second offense would result.
